Dear Friends.

THIS SPACE FOR WRITING

I have found no time yet to write a letter. I'm writing today to our friends here. We arrived here June 14 and by June 16 were all fixed up. We like this place very much and want to stay awhile. How do you like Hollingers? Do they like 7 valleys. Edith write me a long letter you and Annie and I together see who can get at it the most. Mrs. Hummer
